

RENEGADE RUNS DOWN COMMANDMENT TO KEY AN INTO MISCHIEF EXACTA IN JIM DANDY

Renegade rallies by Commandment | Sarah Andrew

by J.N. Campbell

SARATOGA SPRINGS, N.Y. – In colors that evoke memories of the '86 Mets or more recently the '26 Knicks, the orange and blue of Repole Stable worn by Irad Ortiz, Jr. came roaring down the center of the Saratoga strip aboard **Renegade** (Into Mischief) as the colt took the GII Jim Dandy Stakes on Saturday afternoon in what was the prep for the GI DK Travers Stakes Aug. 29.

It was banner day for co-owner Mike Repole, who had four wins on the card. His Hall of Fame trainer Todd Pletcher did him one better by netting five victories, and jockey Irad Ortiz, Jr. also got his picture taken four times.

Renegade is used to employing late-inning heroics or buzzer-beating shots. Never one to set the pace, the Keeneland September grad seems to work best when he's able to see what's ahead.

In his second chance to break his maiden, the Pletcher trainee was disqualified and placed second behind 'TDN Rising Star, presented by Hagyard,' Paladin (**Gun Runner**) during the Belmont at The Big A meet last October. Renegade faced his foe once more in the GII Remsen Stakes at the Big A in early December and finished as the runner-up.

'HE'S MY JOHN HENRY': WILKES ENJOYING THE RIDE AS BURNHAM SQUARE TAKES THE MILLION by Stefanie Grimm

NEW KENT, VA—The newest member of the dual-surface Grade I club was inducted Saturday as **Burnham Square** (**Liam's Map**) won Virginia's featured race--the GI Arlington Million at Colonial Downs--on a day when the track saw a record handle of \$10,790,616.

"I really felt this was the race that would be hard to win," trainer Ian Wilkes said after the race. "Shortening back up, coming from a mile and a half, mile and three-eighths, back to two turns. That's a different type of race, and I was happy the way he did it."

A major player on last year's Triple Crown trail, Burnham Square broke his maiden at Gulfstream Park before sweeping into the GIII Holy Bull Stakes in dominant fashion.

Jim Dandy, cont. from p1

Ready for his colt's 3-year-old season to get underway, Pletcher sent the bay to the Sam F. Davis Stakes and Renegade took control to win by 3 3/4 lengths.

The nearly two months off that followed evidently served Renegade well because he shipped to Hot Springs for the GI Arkansas Derby and looked ready to run. He did. The son of Into Mischief won by four lengths and headed to the GI Kentucky Derby as one of the favorites. Renegade put in a valiant effort in defeat as he was beaten by a neck at his own game when 'TDN Rising Star, presented by Hagyard' and longshot Golden Tempo (**Curlin**) swooped in for the prize.

Made the favorite in the GI Belmont Stakes at the Spa, Renegade finished third behind the Derby winner and **Commandment** (Into Mischief).

With Golden Tempo sitting out the Jim Dandy and waiting for the Travers, Renegade was made the 6-5 second choice behind even-money favorite Commandment here.

Ortiz's mount exited the gate in good order, but it was **Chip Honcho** (Connect) who hustled to make the pace into the first turn along with **Silent Tactic** (**Tacitus**). Commandment chased in the third position.

As the leaders trucked up the backstretch, Renegade seemed to be falling behind and it looked as though he was going to

need to muster a massive rally.

Commandment and Silent Tactic were ready to take on Chip Honcho by the end of the far turn, but that was about the time that Renegade began to get his motor running.

Tipping towards the center of the course, the 3-year-old found his stride, went right by his opponents inside the final sixteenth and secured the Jim Dandy as a party crasher. Commandment was the runner-up to complete the Into Mischief Exacta. Silent Tactic finished in third. **Cont.**

Jim Dandy, cont.

Hall of Fame trainer Todd Pletcher said, “I was just concerned that he was so far back, but I mean, that was part of the strategy that Irad [Ortiz, Jr.] and I talked about, it was ‘let him be him.’ Not overthink the pace scenario, don’t take him out of his style, let him do his thing. Hats off to Irad to have that much confidence in a horse to allow him to get that far back and ride him patiently. I’m glad it worked out.

“I was more worried down the backside. By the three-eighths pole, I thought he was starting to get into the mix and I think he likes to be out in the clear, similar to the way he ran in Arkansas, when he kind of comes storming down the middle of the track. We know from those races, the Arkansas Derby, the Sam Davis, that he has that unique ability to really close fast in a dirt race, which you don’t see very often.”

Todd Pletcher with fan Steve Johnson and his legendary shirt
Sarah Andrew

On winning his fifth race on the card, a feat he also accomplished Aug. 30, 2004 at Saratoga that included a win with Ocean Drive in the GIII Ballston Spa Breeders’ Cup Handicap, Pletcher added, “I mean we kind of like saved a bunch of them up for one day, I don’t know. But yeah, I’d rather stay steady, but we felt like we had a pretty good hand coming into today, but it is hard to project that you are going to win five races in Saratoga. It just doesn’t happen very much.”

About a potential start at Saratoga in the Travers Aug. 29: “That’s what we’re hoping for. He’s had a really good two months since the Belmont, and hopefully we can have another good month until the Travers.”

Repole added, “Listen, the best 3-year-old in the country right now is Golden Tempo, how can you say he’s not, right? So of course, I wanted a shot here, but we’ll get a shot at the Travers and we’ll see what happens. I think the best horse with the best ride won the Kentucky Derby.

“And in the Belmont, we didn’t fire, and the last three weeks this horse has been back to his prime self. Irad [Ortiz, Jr.] tried to make it a little more heroic than we wanted it, he was pretty far back, and he made a great come back.

“This horse did everything possible to win the Derby, should have won and didn’t. Didn’t fire in the Belmont, so now to get this back here, with a big crowd on a big day, yeah there’s redemption. Irad and Renegade, it’s really special.

“I’ve won four races today which is insane, and this is the fourth Jim Dandy, too, and I’ve won three out of the last four. My nightmare was I going to win the first four and then Renegade was going to lose and it’d be a miserable day, so actually when Time to Dream lost [in the GIII Lake George presented by Surfside] I was like, ‘OK, good, I don’t have to worry about that.’”

Ortiz said, “That’s the way I wanted to ride it today, honestly. The last couple [of] times I tried to stay in contact with the field and tried to give myself a chance to not get too far back and get there on time. I worried too much about that, and then [he was] a little flat in the end. I kind of liked the distance today, and I just wanted to let him be him. I told Todd [Pletcher], ‘I just don’t want to hold so many positions. I want to let him be where he wants to be and make a run.’ I think that’s the way he wants to run, and it worked out great.

“I took a little hold, and he dropped himself a little more than I wanted, but already in my mind I made my decision,” he said. “I [went] with that and [sat] and waited and started making a run, and he did.

“I wasn’t sure if Commandment was going to be that close or not,” Ortiz added. “I said, ‘I just want to ride my horse. I don’t care where he was, even if he is behind me. We just wanted to be in some position where he was comfortable.’” **Cont.**

Pedigree Notes:

The otherworldly stallion of Spendthrift--Into Mischief (by Harlan's Holiday)--keeps collecting top-level races, as Renegade adds another graded win to the sire's already stacked CV.

The Lows purchased Renegade's dam Spice Is Nice (Curlin) with West Bloodstock for \$1.05-million at the 2018 Keeneland September Sale and she went on to win the GIII Allaire DuPont Distaff Match Series Stakes. His dam's first foal, Renegade was sold by the Lows to Repole for \$975,000 during Keeneland September, but the two groups brokered a 50/50 deal afterwards.

Renegade | Sarah Andrew

Spice Is Nice is responsible for three other foals, including a current 2-year-old filly by Uncle Mo, a current yearling filly by Justify and she foaled a colt by Not This Time Feb. 24. She was once again booked to that same sire for 2027.

Renegade's second dam is GI Humana Distaff Stakes heroine Dame Dorothy (Bernardini), whom Repole bought at the 2023 Keeneland November Sale for \$900,000 while in foal to Gun Runner. Last September at Keeneland, the resulting colt was sold to AMO Racing USA for \$1.6 million.

The Lows acquired Sgt. Pepper (Uncle Mo), Spice Is Nice's half-brother, for \$1.6 million at the 2021 Fasig-Tipton Saratoga Select Yearling Sale.

As for Dame Dorothy, her own half-sister is French Group 1 stakes victress Mrs. Lindsay (Theatrical {Ire})--herself the dam of French multiple stakes winner Mr. Owen (Invincible Spirit {Ire}).

Arlington Million, cont. from p1

Denied as the favorite by future Horse of the Year Sovereignty (Into Mischief) in the GII Fountain of Youth, he nosed out East Avenue (Medaglia d'Oro) in a thrilling edition of the GI Toyota Blue Grass Stakes en route to the Kentucky Derby, where he finished an even sixth. He finished out the season second in the GIII Matt Winn and fifth in the GI Haskell before Wilkes shifted him to the turf for the first time and a star was born.

Second by just a head in the GIII Nashville Derby, he got a nice break through the colder season and returned in Florida this February, running second in allowance company before kicking off a three-race win streak that included the GII Elkhorn Stakes and the GIII Louisville Stakes. **Cont.**

Arlington Million, cont.

Cutting back to 1 1/4 miles, the 4-5 favorite was forwardly placed but got squeezed between horses passing the wire the first time by and clearly wanted to go, tugging jockey Brian Hernandez, Jr. as he was stuck three wide.

"He was a little on the muscle early," Wilkes said. "I may take the three-quarters [blinker] off of him and just put a little cheater on him. Now I think he's matured enough to have that, and he may just relax and switch off a little more."

Fifth and still caught out into the clubhouse turn, Burnham Square finally got to tuck down a little as the field split into groups of two behind longshot leader **Layabout** (Laoban). A little more settled as the half went in :48.85, the favorite was able to move up into a bunched-up group ahead of him, shifting out three wide to put in a sustained rally in a joint move with Colonial Downs veteran **Integration** (**Quality Road**). Hernandez sat chilly into the final quarter, only pressing the go button as he straightened away with two rivals still to run down on his inside. Finding his best stride in the final sixteenth, he rolled to the front for a stylish win ahead of a photo finish behind him for the minor awards.

Burnham Square | Coady Media

"He's got a great turn of foot," Wilkes said. "That's his asset. Even at a mile and quarter, to be able to have that turn of foot, that's a big asset."

Wilkes indicated that Burnham Square would have two more races in 2026, the first coming at Kentucky Downs.

"[Kentucky Downs] is more his wheelhouse," Wilkes said. "The mile and a half, he loves it. He galloped out really good today. He doesn't stop. I think getting him back out to a mile and a half, that's more his strength."

Now a Grade I winner on both turf and dirt, the 4-year-old gelding seems set to have his whole future ahead of him even as a 4-year-old.

A celebratory winner's circle | Coady Media

"I'm fortunate enough to train him. It's not work. It's all him," Wilkes said. "I can only do what the horse can do running. It's all about the horse, that's the one thing we can't forget about is the horse. As [Hall of Fame trainer] Carl Nafzger always told me, to get a good horse, stay out of his way."

Zooming out past 2026 for his star gelding, Wilkes was all systems go for a return to Colonial Downs and a potential run at John Henry's record as a two-time Arlington Million winner.

"He's my John Henry," Wilkes said. "That's in my head now that I've won the Arlington Million. He'll have two more races and then get turned out for the year. He'll go to the paddock and have a break. He's a gelding and we'll bring him back next year and map out what to do."

Pedigree Notes:

One of seven top-level winners for **Liam's Map**, Burnham Square is out of the graded stakes-winning mare Linda who banked more than \$400,000 on the turf herself. She has four winners from five to race and was sold to Springwood for just \$55,000 at the 2024 Keeneland January Sale carrying to **Oscar Performance**. That foal, now the 2-year-old And the Runner Is, was a \$400,000 Keeneland September yearling last year to Greenwell Thoroughbreds and ran second in his debut at Saratoga July 12. She has a yearling **Life Is Good** filly and reported a **Gun Runner** filly this year before returning to **Liam's Map** for 2027.

A STAR IS BORN: TWINKLE TOWN SPARKLES IN SARATOGA SPECIAL by Steve Sherack

Twinkle Town | Sarah Andrew

Four G Racing's **Twinkle Town** (**Take Charge Indy**), a runaway debut winner in the Churchill slop June 27, made it a perfect two for two with a dominating performance in Saturday's GII Saratoga Special S. at the Spa.

The 7-2 chance raced under pressure beneath Jose Ortiz with GIII Sanford S. winner **Booked** (Yaupon) racing to his inside through an opening quarter in a sharp :21.82. Those two raced shoulder to shoulder at the top of the stretch and Twinkle Town had another gear from there to win going away by six lengths. It was another seven lengths back to **How's Al Today** (**Munnings**) in third. Favored 'TDN Rising Star, presented by Hagyard' **Flight Command** (**Flightline**) was last of six after stumbling at the start.

"It's a little bit out of my game to have a 2-year-old go :21 and change and keep going, right," said winning trainer Ken McPeck, who also trained **Take Charge Indy**'s dam, MGISW and Broodmare of the Year Take Charge Lady. "I think he is definitely a two-turn horse, but we're going to have to retool him a little bit at the end of the year or later in the year into next year. He's just naturally talented."

On a potential start in the seven-furlong GI Spendthrift Farm Hopeful on Sept. 6 at the Spa, McPeck said, "Yeah, more than likely. Yeah, we'll see."

He added, "I'd love taking him to the (GI) Champagne (on Oct. 3 at Belmont Park). I'd like to get to that."

STAR CITY (ARKANSAS) THE PLACE TO BE

AFTER TWINKLE TOWN'S WIN by Tim Wilkin

SARATOGA SPRINGS, N.Y. – Lance Gasaway heard his phone pinging long before his 2-year-old colt **Twinkle Town** (**Take Charge Indy**) completed his six-length win in the 121st running of the \$250,000 GII Saratoga Special Saturday afternoon at Saratoga Race Course.

That's because a small rural town in Lincoln County in Arkansas--Star City--was going bananas.

Twinkle Town surveys the paddock Saturday | Sarah Andrew

Here's why. Gasaway, one of the owners of Twinkle Town, went to school--he played Division II football at the University of Arkansas at Monticello--about 22 miles south off Star City. He was pretty good, too.

He played in the mid 1980s and was a 2015 inductee into the school's athletic Hall of Fame. After his playing days ended, he settled in Star City. Along the way, he became involved with horses and was part of the ownership group of 2024 GI Kentucky Derby winner **Mystik Dan** (Goldencents), trained by Kenny McPeck.

McPeck is also the trainer of Twinkle Town.

When it was time to name this grey, Gasaway and fiancé Bobbi Jo Harris said, why not? **Cont.**

Saratoga Notebook, cont.

Lance Gasaway (left) celebrates Twinkle Town's Saratoga Special victory in the winner's circle Saturday | Sarah Andrew

"We thought it would be neat," Gasaway said, "and here we are!"

Today, the whole town of Star City is all about Twinkle Town.

"Trust me, my phone has been going crazy, I can feel it," Gasaway said in the winner's circle. "I know everybody there. A lot of small communities. They know about this horse."

Twinkle Town isn't the only one.

Sunday, Gasaway has another 2-year-old trained by McPeck running in the \$150,000 **Curlin** Stakes. His name is **Blackout Time (Not This Time)**, a 'TDN Rising Star, presented by Hagyard' and the 3-1 second choice on the morning line behind 4-5 Chief Wallabee (**Constitution**). Jose Ortiz, who rode Twinkle Town, is signed up to ride Blackout Time.

Blackout Time got his name this way:

"When I played football in college, before we came out on the field, they would turn all the lights off," Gasaway said. "Blackout time. That's what the players called it."

Bingo.

The **Curlin** has a scheduled post time of 5:44 p.m. Sunday. Gasaway and his fiancé have a flight to catch in Albany (about 30 minutes south of Saratoga) back home to Arkansas.

Tight fit.

"If we win the **Curlin**, we might have to change our plans," Gasaway said. "Or maybe Twinkle Town could get us there!"

DeVaux's 'Other' Horse Will Have a Saratoga Presence Later On

The focus, as it should be, has been on 'TDN Rising Star, presented by Hagyard' Golden Tempo (**Curlin**). The GI Kentucky

Derby and GI Belmont Stakes champion has been in Saratoga a couple of weeks now, getting ready for the \$1.25-million GI Travers Stakes on Aug. 29.

But let's not forget about fellow 'TDN Rising Star' **Englishman (Maxfield)**, the freakishly fast 3-year-old who is biding his time at trainer Cherie DeVaux's main camp at Keeneland. He'll return to the Spa at the end of the month and will share the spotlight with his Triple Crown stablemate.

By design, DeVaux is keeping Englishman, owned by C R K Stable LLC, in Kentucky to do his training for his next assignment, the \$500,000 GI H. Allen Jerkens Memorial at seven furlongs on Travers Day.

Englishman stays in Kentucky because that has been what has been working.

"He has only trained at two tracks, Keeneland and Fair Grounds," she said. "It works. I am going to keep it that way."

Englishman made quite the impression at Saratoga on Belmont Stakes Day when he romped to a 5 3/4-length win over 'TDN Rising Star' Crude Velocity (**Beau Liam**) in the GI Woody Stephens. Crude Velocity was the only horse to beat Englishman, that coming in the GI Pat Day Mile on Kentucky Derby Day.

Englishman, ridden by Jose Ortiz, earned an eye-popping 115 Beyer Speed figure and set a track record for seven furlongs (1:20.40). The only horse to run a higher Beyer than Englishman this year has been 'TDN Rising Star' Knightsbridge (**Nyquist**), who ran a 122 in the GI Monmouth Cup on Haskell Stakes Day in New Jersey two weeks ago.

"The sky is the limit for him," DeVaux said. "He is just immensely talented. And fast. All of us were not sure how fast he was, but it was not surprising how fast he ran."

Englishman worked five furlongs in :58.00 (1/5) at Keeneland on Tuesday. He won't ship to Saratoga until the week of the race. **Cont.**

For his career, he has won three of four starts. The Woody Stephens was his first graded stakes victory.

"We just want to make all the races count for him," DeVaux said.

'Skippy Still on Schedule for Another Trip to West Virginia

Late Sunday morning, trainer Saffie Joseph, Jr. was clowning around with one of his favorites in the shedrow of his barn on the backstretch at Saratoga Race Course.

Skippylongstocking | Sarah Andrew

Skippylongstocking (Exaggerator), a 7-year-old warrior, stretched his long bay neck as far as he could out of his stall, just out of the reach of his trainer, who was dangling his fist like a carrot in front of the horse.

Skippy playfully snapped, Joseph had a laugh.

Things are good with the veteran runner, who is on target to make another trip to West Virginia at the end of the month for a fourth run in the \$1-million GII Charles Town Classic, a 1 1/8-mile race around three turns.

Skippy won the race in 2023 and 2024, came in eighth last year.

There was a little cause for concern after his last race--a third-place finish in the GIII Monmouth Cup in New Jersey two weeks ago.

He aggravated a bruise on a foot during the race.

"Very fixable," Joseph said Saturday morning. "When the doctor checked his foot, it was very reactive to the touch. He is still very much on target for the Charles Town Classic."

Joseph said Skippylongstocking, owned by Daniel Alonso, will go back to the track, probably on Sunday. After the Charles Town Classic, he will train up to the Breeders' Cup at Keeneland at the end of October.

Another of his old stable stars is **White Abarrio** (Race Day), who is also seven. He is on target for the \$1-million GI Whitney Stakes next Saturday. Hopefully. There is a chance of rain every day next week.

There is nothing in the forecast that is remotely close to last week when a two-day storm dumped nearly six inches of rain in the area. But, if the track is wet on Whitney Day, you won't see White Abarrio.

Joseph made that abundantly clear after White Abarrio sputtered over a sloppy track at Churchill Downs on June 27 and finished fourth in a five-horse field. Never again.

"Right now, we are running in the Whitney," Joseph said. "If we have to readjust, we readjust"

If White Abarrio somehow does not get to run in the Whitney because of weather, Joseph said he will run in the \$150,000 GIII Philip H. Iselin Stakes at 1 1/16 miles at Monmouth Park the following week.

EUNOMIA UPSETS CLEMENT L. HIRSCH, EARNS BREEDERS' CUP BERTH *by Jill Williams*

Dismissed at 12-1, East Coast shipper **Eunomia** (**Tiz the Law**) outfooted, outdueled, and outlasted the best distaffers assembled in California Saturday to capture Del Mar's GI Clement L. Hirsch Stakes. The St. Elias Stables LLC and WSS Racing LLC colorbearer earned a Breeders' Cup 'Win and You're In' spot to the GI Breeders' Cup Distaff this fall at Keeneland.

Up in the early fray from the start, Eunomia sat a comfortable but wide third outside two-back GIII Santa Maria Stakes winner **Simply Joking** (**Practical Joke**) and defending Hirsch winner and race favorite **Seismic Beauty** (Uncle Mo)--a \$2.5-million Fasig-Tipton buy last November--through early fractions of :23.20 and :46.81. **Cont.**

Never more than a half-length off Simply Joking's pace, Eunomia held firm going into the final turn as Seismic Beauty threw in the towel and the remaining six opponents chased while always three or more lengths in arrears. Entering the straight a good half-dozen lengths clear of the rest, Eunomia collared Simply Joking, gradually shaking free. She drifted out down the stretch as last-out GII Santa Margarita Stakes winner **Om N Joy** (Om) came flying from the clouds late only to run out of ground and time to make up the final half-length margin at the wire. Simply Joking held third in a photo over a closing **Majestic Oops** (Majestic Harbor).

Eunomia outfoots Om N Joy to the wire | Benoit

"Ideally I wanted her to sit just behind the front runners, but the filly was a bit keen," said winning trainer Saffie Joseph, Jr. "I had told Micah [Husbands] she doesn't like to fight you so he didn't do that and instead got into a good rhythm where she got comfortable and we got first run on them. Obviously, the horse on the inside was battling and I was just hoping our filly would find a little bit more and she did. Thankfully she held them off."

While Joseph was winning his second stakes at Del Mar following the 2024 GI Breeders' Cup Filly & Mare Sprint with Soul of an Angel (Atreides), jockey Micah Husbands was making his first-ever career start at Del Mar.

"Saffie [Joseph, Jr.] just told me to find a good spot and make her comfortable," said Husbands. "She did just that. I could tell they weren't going that fast for these type horses, so I was comfortable with her all the way around. She gave me a good kick and we got it done. My first ride at Del Mar and it was a good one."

Originally trained by Victoria Oliver for Jewel Box Racing, who signed her \$190,000 ticket at the 2024 OBS March 2-year-old sale, Eunomia was sold privately and transferred to Joseph after a three-length Keeneland allowance score last October.

Following an optional allowance win at Tampa in December, Joseph moved her up to exclusively stakes company for her 2026 campaign. An initial black-type win in the Fasig-Tipton Sandy Bottom Stakes at Colonial Downs Mar. 14 was sandwiched around placings in the GII Baird Doubledogdare Stakes at Keeneland and the GIII Royal Delta Stakes at Gulfstream. Eunomia was last seen finishing off the board in the GII Ruffian Stakes at Belmont's Aqueduct meet in May.

Pedigree Notes:

In addition to a couple of Group 1 winners in Chile, Classic winner **Tiz the Law** now has two Grade I winners stateside as Eunomia joins last winter's La Brea Stakes winner Usha as elite-level scorers for their Ashford-based sire. The son of **Constitution** now sports 24 black-type winners--16 graded--worldwide as his third crop of 2-year-olds is racing now.

Magna Carta Bloodstock purchased Speedy Vanessa, dam of the Clement L. Hirsch winner, for \$200,000 with Eunomia in utero at the 2021 Keeneland November sale, then resold her to Matt Davis for \$280,000 at the same sale in 2024. The mare's 3-year-old colt and second foal, Confessional (**Essential Quality**), placed in the Virginia Derby this year. She has an unraced 2-year-old colt by **Olympiad**, a yearling filly by Yaupon who hammered for \$250,000 to Declan Jackson at Keeneland November, and a 2026 colt by **Life Is Good**. Bred back to **Essential Quality** for 2027 and from the same extended family as champion War Pass (Cherokee Run), Speedy Vanessa is a half-sister to 2011 GI Central Bank Ashland Stakes winner Karlov Vary (Dynaformer), dam of MGSW & MGISP Mean Mary (Scat Daddy) and GSW & GISP Bye Bye Melvin (Uncle Mo).

CHERIE DEVAUX ADDS TO BANNER YEAR AS SUPERCHARGER WINS SECRETARIAT

by Stefanie Grimm

NEW KENT, VA--The Cherie DeVaux tour made a stop in Virginia Saturday.

Saddling **Supercharger** (**Constitution**) for his stakes debut in the GII Secretariat Stakes at Colonial Downs, the GI Kentucky Derby and GI Belmont Stakes-winning trainer cheered the C R K Stable runner to a come-from-behind win.

"There seemed to be a lot of speed signed on," DeVaux said after the race. "That doesn't always materialize. But he also got out of the gate better this race and had better tactical position than he usually has."

Debuted late in his 2-year-old season, Supercharger took four starts to break his maiden, finally doing so at Churchill Downs going 1 1/8 miles May 9. Brought right back over course and distance against allowance horses June 18, the favorite that day showed improvement despite breaking slowly, again coming from the back to win by 1 1/4 lengths.

DeVaux had the Secretariat targeted on the calendar for his step into stakes company from there.

"This was the one that we circled for him," DeVaux said.

"Saratoga races are always really tough. We were looking at the [GII National Museum of Racing] Hall of Fame Stakes Aug. 7, as my father-in-law, John Shirreffs, is being inducted. But the mile is just a bit too short for him, so made more sense [to be here]."

Supercharger took plenty of money at 3-1 from a crowd that enthusiastically welcomed DeVaux on the walk from the paddock to the track. **Cont.**

Finally clean from the gate, albeit after a brief stutter step, the son of **Constitution** let the speed go in front of him and settled nicely against the fence under jockey Manny Franco with one lap to run. Paced by a front group led by **Conducted** (Mendelssohn), the field strung out into the backstretch and Supercharger found himself a solo sixth and well off the speed.

Conducted opened up a several-length gap through the half in :47.68 but things began to get more compact with the front seven all running together around the far turn. Still last of that group, Supercharger tipped outside and got rolling, though he still had plenty of work to do even into the final furlong. Under a sustained drive in a joint move with **Infiltrate** (**Oscar Performance**), Supercharger found an extra gear in the shadow of the wire and pushed ahead, winning narrowly ahead of a photo finish.

Supercharger gets up under Manny Franco | Coady Media

"It was Manny [Franco's] first time on him, but these guys at the top level, like Manny and others, it's seamless when they get on," DeVaux complimented the ride. "They do their homework, they listen to feedback and they execute it perfectly."

The win validated DeVaux's faith in her colt, who seems set for bigger things to come.

"We kind of thought about the [GI] Saratoga Derby, but C R K Stables has Remember Mamba in there," DeVaux said. "So from a developmental standpoint, it just made sense to come here and then maybe try for something bigger next time."

Pedigree Notes:

The 44th graded stakes winner for his sire, Supercharger is the first and only foal out of She's Our Charm, a graded stakes-placed full-sister to young Spendthrift Farm stallion Rock Your World (**Candy Ride {Arg}**). Mayberry Farm, bloodstock agent for C R K Stable, went to \$225,000 to acquire Supercharger as a

yearling at Keeneland in 2024. She's Our Charm placed on the turf in the GIII Robert J. **Frankel** Stakes. She has not been reported bred since producing this one foal in 2023.

GIMME A NOTHER CLAIMS ANOTHER GRADED WITH THRILLING BEVERLY D

EFFORT by Patrycja Szpyra

It's hard to find tougher racehorses than those hailing from South Africa, and **Gimme a Nother (SAf)** (Gimmethegreenlight {SAf}) proudly carried that flag to yet another victory, her third in a row--this time in the GII Beverly D. Stakes at Colonial Downs on Arlington Million Day.

Untouchable in her native country, with graded victories in both 2023 and 2024--the latter including two Grade 1 wins, she arrived in the U.S. to great fanfare in 2025 from the barn of trainer Mike de Kock. Now in the care of Graham Motion, she quickly showed her talent and heart could travel anywhere and has hit the board in all her starts bar one when she finished seventh in the 2025 GI New York Stakes at Saratoga.

Gimme a Nother (outside) | Coady Media

Her win streak began two back Sept. 6 at Del Mar, when she overhauled Grade I runners Medoro (Honor Code) and Mission of Joy (Kitten's Joy) to win the GII John C. Mabee Stakes. Sent to the sidelines after an injury surfaced late in her '25 campaign, she returned June 13 at Monmouth Park and the time off barely seemed to register as she kicked home powerfully to claim the GIII Eatontown Stakes by over three lengths.

The betting public was not going to fix what wasn't broken and they sent her away as the 8-5 favorite--a price likely shortened with John Velazquez in the irons a day after he won his 800th graded race aboard Local Knowledge (Yaupon) in Saratoga's GII Amsterdam Stakes. GSW **Stellify (Justify)** on her inside went off as the 5-2 second choice.

Settling well in midpack after the break, Gimme a Nother watched the action unfold while **Achieve (Justify)**, who was also on a win streak of her own, quickly stepped out to set the tone

of the race. In no hurry behind :24.77, :49.34, and six panels in an uncontested 1:13.41, she had her work cut out for her as she made up ground on the far bend. Closing furiously with **Somethinabouthther** (Mendelssohn) to her inside trying to match strides, Gimme a Nother refused to relent and closed the gap in the final stages to win by a neck. Achieve managed to hold off Somthinabouthther for second by a similar margin.

"John [Velazquez] asked me if I was nervous, and I said yes," Motion said. "I wasn't sure she'd get there."

"She went seven-for-seven in South Africa before I had her," the conditioner continued. "It takes a while to adjust when they come over here. I thought at the end of last year she was really coming into herself, but she came up with a little injury and we missed the Breeders' Cup. Hopefully we're back on track. She's a remarkable filly and just the kindest horse around the barn. Hopefully we get her back to the Breeders' Cup."

"[Achieve] stretched out so nicely," said jockey Sonny Leon of the runner-up. "She did everything beautifully. I was able to set the pace the whole way, but we got beat by the best filly today. She kept fighting through the stretch. She has a lot of talent, and I knew she belonged with fillies like these at this level."

Pedigree Notes:

Gimme a Nother has three half-siblings, the youngest being 4-year-old Special Star (SAf) (Danon Platina {Jpn}), and all of them were winners in their native South Africa, but she was by far the most accomplished of the bunch even before she left for a campaign in the Northern Hemisphere.

The victress hails from a female line of South African champion racemares and is one herself as the 2024 champion 3-year-old filly. Her dam, Nother Russia (SAf) (Tiger Ridge), was a two-time Grade 1 victress as well as being twice elite-placed with her later campaign being enough to be awarded the title of 2018 champion older mare. The second dam, Mother Russia (SAf) (Windrush), was also a multiple Grade 1 winner and was too crowned champion older mare in her time.

Beneath the fourth dam is yet another champion producing mare as Mother Russia's half-sister French Muse (SAf) (Melun) would lay claim to her own fame as the mother of South African Horse of the Year and champion older horse Winter Solstice (SAf) (Western Winter).

AMBERGLEN STEPS UP TO WIN THE SPA'S

LAKE GEORGE FOR STONESTREET *by Jill Williams*

Stonestreet Stables LLC has another nice filly on their hands with **Amberglen (Ire)** (Night of Thunder {Ire}), who sat a perfect trip in Saturday's GIII Lake George Stakes at the Spa to notch the first graded win of her career.

Bumped noticeably at the start, Amberglen bounced away to stalk 30-1 longshot and last-out Wild Applause Stakes fourth **Candy Moonshine (Twirling Candy)** from second as the field strung out behind them. Rider Irad Ortiz, Jr. kept a firm hold on Amberglen as the pacesetter showed the way through :23.79 and :48.70 fractions and GIII Herecomesthebride Stakes winner **Lion Lake (Ire)** (Dark Angel {Ire}) threatened from third. A quarter mile from home, Amberglen pounced, driving to the front past Candy Moonshine in an instant and kicking clear to a no-nonsense lead. She stayed there as four fillies chased behind

her and fought for runner-up honors, each crossing the wire necks and noses apart. Amberglen held for a 1 1/4-length triumph over comebacking Chelsey Flower Stakes winner **Deep Learning (Cairo Prince)**, who found the wire just a neck in front of two-back Churchill maiden special weight winner **Honfleur** (Omaha Beach).

"She broke well," said winning trainer Brad Cox. "She put herself in a good spot. Irad [Ortiz, Jr.] put her in a great spot and she responded when called upon. I guess there was a little concern if she'd take to the turf [due to all the rain this past week]. Obviously, European pedigree, so I was hoping she would, with it being probably a little bit of cut in the ground. She responded well and finished up great."

Amberglen | Sarah Andrew

A 320,000gns Tattersalls October Book 2 yearling purchase by Stonestreet, Amberglen debuted with a win last fall at Keeneland at a mile on the grass, then faltered to fourth when trying the all-weather surface at Gulfstream in the off-the-turf Wait a While Stakes in November. Freshened over the winter and returned to the lawn, the chestnut opened her 2026 campaign with a second in a Keeneland allowance at the Lake George distance, then stretched out to nine furlongs at Churchill to dominate an allowance by five lengths while racking up an 89 Beyer Speed Figure, which marked a 24-point jump from her previous two starts. She has won all three of her starts with Ortiz aboard.

Cox said Amberglen may target the Aug. 29 GII Lake Placid Stakes at Saratoga, "but we don't want to get in a big rush with her, I know that."

Pedigree Notes:

Kildangan Stud's Night of Thunder (Ire) showed again why he's leading the sire list across the pond this year, adding Amberglen to his burgeoning CV of black-type winners. **Cont.**

Lake George, cont.

The 48th graded winner and 90th black-type winner worldwide for the son of Dubawi (Ire), Amberglen joins this season's GI New York Stakes winner and GI Dunkin' Diana Stakes third Porfolio Duration (GB), as well as 2025 GI Just a Game Stakes winner Dynamic Pricing (Ire), as stakes winners for their sire at Saratoga.

The winning **Sea the Stars (Ire)** mare Sea Empress (Ire), who hails from the extended family of Irish highweight Danehill Dancer (Ire), also has the 2-year-old filly Green Empress (Ire) (**Saxon Warrior {Jpn}**). Owned by The Thoroughbred Racing Corporation Ltd. and trained by Joseph O'Brien, Green Empress finished second in the G2 Airlie Stud Stakes at The Curragh June 27. EVERGREEN PARAMOUNT PRINCE WINS NAIL-BITING SEAGRAM CUP PHOTO

by Patrycja Szpyra

He's a Canadian institution, and has the record at home to match.

Rumors had been swirling that the evergreen **Paramount Prince** (Society's Chairman) had seemingly found the fountain of youth for his 6-year-old campaign, and he might've just proven them to be true with a valiant victory in the GIII Seagram Cup Stakes Saturday at Woodbine.

A winner of this very contest in 2024, the '23 King's Plate hero ran third last season when he attempted a title defense and closed his 2025 with a third-place effort Nov. 30 against optional claimers. Back in winning form May 2, where he defeated '25 King's Plate winner **Mansetti** (Collected) in the process, he entered this year's running of the Seagram with a fourth-place finish May 23 and a neck runner-up result last out June 27 in the GIII Dominion Day to the very familiar face of **Runaway Again** (**Hard Spun**).

Sent off as the 7-2 second choice while that foe was made the 4-5 favorite, Paramount Prince broke well and went straight to the front to post opening fractions of :23.82, :47.77, and six panels in 1:12.47. Closely pursued by a host of challengers coming off the bend, and with Mansetti launching a looming bid from the overland route, the elder statesman was set down for the final drive as Runaway Again came alongside midstretch.

Locking horns for the anticipated rematch, the duo battled down to the wire with Runaway Again inching ever closer, but luck proved to be on Paramount Prince's side. Refusing to let the younger competition go by, they hit the wire in tandem, and the photo went his way by a head. **Sedburys Ghost** (Shaman Ghost) wrapped the trifecta while Mansetti faded to fourth in the lane.

Seagram Cup, cont.

"Paramount Prince is a really nice horse with a high cruising speed. And he finds his stride, hard horse to beat that way," said winning rider Fraser Aebly. "At the head of the lane, I could see Mansetti start to come around on the outside, and Paramount Prince grabbed another gear for me and I was thinking in my head, 'where's Sid's horse [Runaway Again], I know he's coming'. He kind of showed his face at the 1/8th pole, but we got the bob today."

Pedigree Notes:

Out of a Canadian Broodmare of the Year, Paramount Prince is the first of three straight black type runners for Platinum Steel. After this victor, she added Listed winner Its Time to Shine (Souper Speedy) and his full-sister MSW Souper Supreme to her broodmare resume. She claims five winners from six to the races with that sixth offspring being placed in his career. Her most recent are the thus-unraced 3-year-old Going Platinum (Silent Name {Jpn}), her juvenile full-brother Piranha Pool, and a 2026 filly by the Classic sire, **Curlin**.

Platinum Steel is a half to Grade I winner turned sire **Army Mule** (**Friesan Fire**) as well as to winning Burnt (Cherokee Run), herself the mother of SW Burning It (Roman Emperor). Another half-sister is the dam of SP Shazier (**Cairo Prince**) and SP Victory Arch (Archarcharch).

ON HER BEST, GEZORA HAS GLENS FALLS RIVALS OVER A BARREL

Gezora | Sarah Andrew

In two starts since surging late to win last year's GI Breeders' Cup Filly & Mare Turf at Del Mar, there is no doubt that Peter Brant's **Gezora** (**Fr**) (Almanzor {Fr}) has been extremely disappointing. But the 4-year-old can right the ship--and should jump the post-time favorite--for Sunday's rescheduled running of the 12-furlong GII Glens Falls Stakes at Saratoga. **Cont.**

Glens Falls preview, cont.

Last year's G1 Prix de Diane victress while under the care of Francis-Henri Graffard, Gezora outstayed She Feels Pretty (Karatontie {Jpn}) on championship day Nov. 1 and remained stateside with Chad Brown. Unable to reel in her then-stablemate Kathynmarissa (American Pharoah) in the GIII Modesty Stakes at Churchill May 1, the bay was transferred to Bill Mott for the GI New York Stakes at the Spa June 5, but she had run her race fully three furlongs out and finished a well-beaten last of eight at 4-5.

Mott is more than happy to give Gezora the benefit of the doubt, saying, "At this point, I'm going to put a line through it. I think she's better than that."

If that is a statement of fact, they could all be running for the minors, with Junior Alvarado taking over from John Velazquez.

If there is to be an upsetter, it could come from Doreen Tabor's **Survie (Ire)** (Churchill {Ire}), whose trainer George Boughey sent out Bow Echo (Ire) (Night of Thunder {Ire}) to win a stirring renewal of the G1 Visit Qatar Sussex Stakes at Goodwood this past Wednesday to run his unbeaten streak to six.

Purchased by M.V. Magnier on behalf of Tabor for 1.9 million guineas (\$2,636,068) at last year's Tattersalls December Mares Sale, the 5-year-old has a record of 1-0-2 from five runs this year, including a conditions score over the Lingfield all-weather and third placings in the G1 Neom Turf Cup in Saudi Arabia in February and in Newmarket's G2 Dahlia Stakes in May. She was a latest sixth of 16 in the always-competitive Wolferton Stakes (Hcp) at Royal Ascot on June 16.

Mott also saddles **Dona Clota (Chi)** (Ivan Denisovich), who got just the better of **Alluring Angel (Ire)** (Fastnet Rock {Aus}) in the GIII Robert G. Dick Memorial Stakes at Delaware Park June 13. Third, but placed fourth in the latter event, was **Storm Miami (Ire)** (Blue Point {Ire}) and the promoted **Bellezza (Ire)** (Siyouni {Fr}) represents the Miguel Clement barn.

Pierette Does Circles Around Adirondack

An undefeated stakes winner, **Pierette (Girvin)** broke her maiden first out at Churchill Downs and doubled that up with a win in the Debutante Stakes going six furlongs June 28 for trainer Mark Casse. She leads the field in Sunday's 6 1/2-furlong GIII Adirondack Stakes at Saratoga.

"I think she's doing super. She's come up here and loves Saratoga," Casse said. "She is a big, tall filly, probably about 16.2 [hands]. She still has a lot of growing to do, but she seems to have a bright future."

To win, she'll have to beat 'TDN Rising Star' **Scarlett Begonia (Life Is Good)** who blew away her debut field at Ellis Park as the heavy favorite July 6 and picks up Irad Ortiz, Jr. here for Brad Cox.

Pierette | Coady Media

"I thought that was a really big effort and she showed she would definitely like more ground," Cox said. "She got herself ready. We thought we were going to give her a run and just see how she stacked up and it was probably a little more than we expected. She really finished up well down the lane and got a good education from that race and galloped out well. It gave us the confidence to try her at a little more ground and in graded stakes company."

Kinnon LaRose looks to pick up his first graded stakes win as a trainer with **Stress Relief (Not This Time)**, another first-out maiden winner by five lengths at Churchill June 20. And **Luminous Beauty (Flameaway)** looks to right the ship after coming into the Schuylerville Stakes as the favorite and coming home an eased-up fifth.

'WE LOVE HOW HE'S GOING INTO IT' - MAGNITUDE THRILLS ASMUSSEN IN FINAL WHITNEY PREP

Multiple Group/Grade I hero **Magnitude (Not This Time)** completed his final prep for the GI Whitney Stakes Saturday morning on the Oklahoma training track, and left his connections in high spirits after the breeze.

Out to work five furlongs for trainer Steve Asmussen, the Winchell Thoroughbreds colorbearer was timed in a bullet 1:00.70 by NYRA clockers (the co-best of 20 at the distance). He worked in company with GSW **Tiztastic (Tiz the Law)**, who is also nominated for the Whitney, and who was timed in 1:00.70 as well. Winchell Thoroughbreds co-owns last year's GII Louisiana Derby victor with Mrs. John Magnier, Michael Tabor, and Derrick Smith. **Cont.**

"I thought Magnitude went beautifully," Asmussen said. "Obviously, we are extremely excited about the Whitney and the opportunity it is. We love how he is going into it."

As to whether or not Tiztastic goes, Asmussen left that up in the air until after he spoke to Ron Winchell [of Winchell Thoroughbreds], saying, "I'll speak with Ron later today. I'll see what he wants to do. Who's to say, we'll see how he's feeling, but obviously Tiztastic has put in some really good works and he is a pretty accomplished horse himself. I thought they went beautifully."

Antiquarian Posts Final Whitney Breeze, Local Knowledge Eyes Grade I Target

GISW **Antiquarian** (Preservationist) posted his last breeze for next Saturday's Whitney the morning of Aug. 1 as well in company with Classicist (**Curlin**). Working four panels over the main track in a bullet :47.37, and galloping out five furlongs in 1:00 flat, as timed by NYRA clockers, the son of the late Preservationist was ridden by jockey Manny Franco.

"It was a little difficult to see the entire thing because of the fog, but he worked really well down the stretch," said Todd Pletcher. "Manny was pretty pleased with the work, so, overall, we are happy."

Pletcher also mentioned that Friday's GII Amsterdam Stakes victor **Local Knowledge** (Yaupon) emerged from the effort well after securing his first graded win, and rider John Velazquez's milestone 800th graded victory. The 'TDN Rising Star, presented by Hagyard' is now under consideration for the GI H. Allen Jerkens Memorial Aug. 29 on Travers Day.

"[Local Knowledge] looked good this morning," said Pletcher. "[The 800th graded win] was kind of a cool milestone. Hats off to Johnny. It seems like he just keeps getting better."

Pacific Avenue Completes Final Saratoga Derby Prep, Irad Ortiz, Jr. Gets Call

Godolphin's G1 Tattersalls Irish 2000 Guineas-third **Pacific Avenue (Ire)** (Dubawi {Ire}) posted his final breeze for next weekend's GI Saratoga Derby, and will have Irad Ortiz, Jr. in the irons for his second try against elite North American company.

Having worked three times over the Oklahoma training turf since finishing a hard-luck seventh July 4 in the GI Belmont Derby, the Charlie Appleby-trainee had Ortiz, Jr. along for the ride in the last two works and went in company with workmate Watching Stars (GB) (**Sea the Stars {Ire}**) once again Saturday morning. His stablemate started ahead of him for the five-panel breeze, but Pacific Avenue overtook his companion in the lane and galloped out strongly. NYRA clockers caught Pacific Avenue in 1:02 3/5 with Watching Stars timed in 1:03 flat.

Pacific Avenue works Saturday | Sarah Andrew

"I enjoyed the turn of foot he gave," said Sophie Chretien, the traveling assistant for Appleby. "He seems to be fresh, happy and enjoying what he's doing. He's recovered well from his last race. I just hope we don't get too much rain. I'm pleased with what I've seen. He's in good form."

"I had [Pacific Avenue] all winter in Dubai. He looked great [there], don't get me wrong, but now he looks like he's put more condition on muscle wise--stronger coat. He's not very tall but he looks strong and healthy."

The domestic hopefuls for the Saratoga Derby were also out, led by SW & MGSP **Heeere's Johnny (Oscar Performance)** for trainer Ray Handal. Cruising a half-mile in :50 flat over the Oklahoma training turf, he worked solo with Dylan Davis in the saddle. Davis will regain the mount for the Aug. 8 contest after Jamie Rodriguez replaced him for the Saranac Stakes victory when Davis took off his mounts as a precaution following a spill.

"Dylan is my main guy, Jaime did a great job, and I have no problems with him, he rode a tremendous race, but I don't like losing my starting quarterback due to injury, so Dylan will go back in," Handal said. "I have a lot of confidence with Dylan."

As for the Saturday work, Handal said, "That was a good work. The grass had some give in it, which I don't think is his favorite, and probably why he got beat two starts back on softer turf. But all in all, I think we accomplished what we needed in the work. It looks like he's ready, that was a big strong gallop out and I got what I needed."

Something must have gone amiss with champion **Gezora (Fr)** (Almanzor {Fr}) in the GI New York Stakes. She's too good of a filly to have run that poorly and that Bill Mott reels her right back says something. Considering she ran second in the mile-and-a-half G1 Prix Vermeille in France, the distance should be no problem. Mott has another contender in **Alluring Angel (GB)** (Fastnet Rock {Aus}), who turned in a big effort chasing a slow pace in the GII Robert G. Dick Memorial at Delaware Park. It was her first start in 4 1/2 months, so expect improvement. **Speed Shopper (Quality Road)** is 2-for-3 at the distance and goes out for the hot Will Walden barn. --Bill Finley

JUSTIFY FILLY VOYAGER GETS TWO TURNS AT SPA, CASSE LOOKING TO GI NATALMA

by J.N. Campbell

Voyager (Justify--Chart, Lea) outlasted them all and broke her maiden in gate-to-wire fashion in the opener at Saratoga Race Course on Saturday.

The Mark Casse trainee was the runner-up on debut at Churchill Downs June 10 and finished in that same position in the Schuylerville Stakes at the Spa July 3.

Voyager inside of Correlation Trade | Sarah Andrew

Ready to try the grass for the first time here, Voyager went off as the even-money favorite. The 2-year-old was handed an easy lead out of the blocks and the bay headed towards the first turn on the engine. Making every pole a winning one up the backstretch and around the far turn, Voyager entered the lane looking to see the race out. Rival Correlation Trade (GB) (New Bay {GB}) made her bid to catch her target, but she came up just short.

"I trained her mom [Chart (Lea)] and I think she might have been one of the first stakes horses we had for D.J.," trainer Mark Casse said. "I thought she [Voyager] was beautiful just from watching the Keeneland video and that as enough.

"I think she's better than you saw today," he said. "Chad's [Brown, Correlation Trade] filly is pretty good too. Our filly got to the lead and maybe didn't know what to do. The other filly had a great kick and tried to come get her. But I think you're going to hear from these two.

"My plan is to send her to the [GI] Natalma Stakes at Woodbine coming up and then down the road point to the Breeders' Cup in late October," he added.

The winner's dam that Casse referenced won the GIII Ontario Colleen Stakes at Woodbine. Stoneriggs purchased the mare for \$210,000 during the 2021 Keeneland November sale.

Also of note, Chart is responsible for a yearling filly by **Flightline**, who was herself a \$290,000 2026 Keeneland January sale buy for Blue River Farm. Chart was sent to **Constitution** for next year.

As for Voyager's extended female family, included is MGSW Brilliant (War Chant) and MSW Street Life (**Street Sense**).

NOT THIS TIME COLT MAKES HIS 'POINT' AT SECOND ASKING AT THE SPA

by Steve Sherack

Repole Stable's **Pinpoint** (**Not This Time**), a well-beaten fifth behind subsequent GIII Sanford S. winner and GII Saratoga Special S. runner-up Booked (Yaupon) on debut at Saratoga June 7, looked like a different horse at second asking at the Spa on Saturday.

Pinpoint | Sarah Andrew

Overlooked at 12-1, the \$300,000 Keeneland September graduate was hustled to the front by Ricardo Santana, Jr. and cleared the field of seven through an opening quarter in :22.93. He was in control at the top of the stretch and kept on rolling down the lane to win going away by 6 1/4 lengths.

Cybersteel (Cyberknife) held off **Jackpot Rocket** (**Tapit**) for second.

The final time for six furlongs was 1:11.50.

Dream More (**Gun Runner**), a \$1.5-million KEESEP yearling and half-brother to the brilliant MGISW Clairiere (**Curlin**), was scratched.

"He's a durable colt and we got some really solid breezes into him after that debut," winning trainer Todd Pletcher said in the winner's circle on *Saratoga Live*.

"Immediately after that race I was kinda thinking this might be a grass horse. He just kept getting a little better each week. I think the (previous) start and the fitness was a big advantage today against a lot of first-time starters."

Todd Pletcher | Sarah Andrew

Pinpoint's SW & GSP dam Magic Circle (**Kantharos**), a \$330,000 Keeneland November purchase by Magna Carta Bloodstock in 2022, is also responsible for a yearling colt by **Good Magic** and a **McKinzie** filly of this year. She was bred back to **Sierra Leone**.

LIFE CHANGING NEWEST 'RISING STAR' FOR SIRE AT SARATOGA by Patrycja Szpyra

Life Changing | Sarah Andrew

She was bred to do well, and so she did--to the tune of 'TDN Rising Star, presented by Hagyard' honors at America's Summer Playground. **Life Changing** (**Life Is Good**) dominated the fifth race at The Spa and scored the Repole/Pletcher combo their third winner on the card in the process.

Entering this unveiling with a bullet four-furlong work at this venue July 20, the Todd Pletcher-trainee drew most the betting public's dollars against a field that was well-matched on paper, including **Judy's Rockette** (**Constitution**), an \$800,000 OBS March purchase this year. Both fillies were 'Insight' runners in Saturday's *TDN*.

Breaking well to set the tempo through :22.19 and a half-mile in :45.47, the 2-1 favorite was well in hand as they turned for home and had even built up a commanding margin that Judy's Rockette was trying to cut into late. The pair distanced themselves from the rest of the field and Life Changing hit the wire with air to spare on her pursuer.

The final time was 1:10.51, almost a second faster than her Repole-owned stablemate Pinpoint (**Not This Time**) ran the race prior. This is the fourth 'TDN Rising Star' for **Life Is Good** (by Into Mischief).

A \$1.025-million purchase from the Fasig-Tipton Saratoga Yearling sale, the daughter of **Life Is Good** is a half-sister to MGISW **Seize the Grey** (Arrogate). That brother was the late,

Team Repole | Sarah Andrew

great D. Wayne Lukas's final Classic winner in the 2024 GI Preakness Stakes, and the grey collected two elite-level wins to his credit before retiring to Gainesway Farm--the other being the GI Pennsylvania Derby.

Life Changing is also a half-sister to SP Shoppingforpharoah (**American Pharoah**), herself a broodmare since producing a 2026 filly by **Not This Time**. Dam Smart Shopping was barren on a 2025 return to **Life Is Good**, but does claim a 2026 filly by **Oscar Performance** to her credit. She was bred to **Sierra Leone** for 2027.

The female family is quite the busy one beyond just Seize the grey and this new 'Rising Star'. Second dam Shop Again also produced GISW Power Broker (Pulpit) and SW Fierce Boots (Tiznow), the mother of SW & GSP Portos (**Tapit**). Another half-sister Winning Streep (**Oscar Performance**) also claimed black-type in her racing career while third winning sister Fast Retailing (Malibu Moon) is most famous for her accomplished turf marathon daughter, MGSW Speed Shopper (**Quality Road**). **Cont.**

Life Changing | Sarah Andrew

Through the third dam, this is also the immediate female family of GISW Miss Shop (Deputy Minister), dam of MGSW Tin Type Gal (**Tapit**); GSW & MGISP Trappe Shot (**Tapit**); and MGSW Imprimis (Broken Vow) as well as being the extended one of SW & MGISP Shoplifted (Into Mischief).

TITLE WORTHY IS TITLE READY'S FIRST WINNER AS A SIRE AT ELLIS PARK

Just the fourth runner for his sire thus far, **Title Worthy** gave Title Ready his first winner when he kicked away in the Ellis slop to win by 1 1/4 lengths.

Sent away here at 9-2 odds, he immediately stepped forward to contest the early pace and was locked in a duel going around the bend after an opening quarter in :22.23 and a half-mile in :46 flat. Shaking free of that challenger turning for home, Title Worthy opened up a clear advantage on Celtic Mo (Uncle Mo) into the final furlong and held that one at bay to score at first-asking.

This victor is the second winner to the races for his dam Maresias (Creative Cause), and the most recent to come of age. He has a pair of full-sisters in the wings--a yearling and a 2026 foal. The mare is herself a half-sister to GISW Arabian Lion (**Justify**), and hails from the immediate female family of MGSW Major Dude (Bolt d'Oro).

This is the direct female line of champion older mare MGISP Personal Ensign, whose racing and breeding exploits need no introduction, but who did also produce the branch of her family that yielded Title Ready and his half-sister GSW & GISP Seeking the Title (Seeking the Gold).

Kretz Racing debuts **SCORPY (Tapit)** Sunday at Del Mar, a \$1-million OBS April grad of 2025. A son of MGISP Palacio de Amor, he is a half-brother to SW/MGSP Threefiveindia (Street Hero) and MSW Hero's Amor (Street Hero), a mare whose own son became a graded stakes winner with Apprehend (Arrogate). Despite his late foaling date (May 23), Scorpy impressed in Ocala, **breezing in :10** before landing seven figures from bloodstock agent Gayle Van Leer.

"He reminded me an awful lot of Sandman, who I fell in love with and he's my Derby horse," Van Leer said after signing the ticket last April. "He is just a smooth-moving horse and he just caught my eye immediately during the under-tack show."

There's plenty of class top to bottom in this field including a pair of Bob Baffert stablemates.

Baffert's other runner, **Truth or Dare (Quality Road)**, is the first foal out of champion female sprinter Gamine, who sold with this runner in utero for \$7-million to Coolmore's M.V. Magnier and top the 2022 Fasig-Tipton November Sale. Gamine, a Baffert runner herself, banked more than \$1.7-million on the track.

Knave of Hearts (Maxfield), whose half-sister After the Party is the dam of GI Jim Dandy runner Solitude Dude (Yaupon), was a \$500,000 Keeneland September grad and comes in for trainer Mark Glatt and Muir Hut Stales. His dam is a half to GISW and \$2-million KEENOV broodmare Callback (**Street Sense**) and this is the family of GI Kentucky Derby winner Super Saver (Maria's Mon). **TJCS PPS**

Charming Charlotte (Into Mischief), purchased by Saint George for \$750,000 at KEESEP last year, is a full-sister to Atone who won the GI Pegasus World Cup Turf. **TJCS PPS**

Godolphin homebred **True Essence (Essential Quality)** is a son of MGISW Better Lucky and a half to GSP Kentucky Wildcat (**Tapit**).

Excellent (Quality Road) cost \$575,000 at Saratoga last August and is a full-brother to SW/GSP Park Avenue who sold to Summer Wind Equine for \$1.45-million at KEENOV in 2022. That mare's son, Powerline (**Flightline**), just ran second in his Saratoga debut two weeks ago.

Life Is Good is represented by a pair beginning with **Rupp**, a half-brother to MSW/GISP Mackinnon (**American Pharoah**) out of the Scat Daddy mare Scat Means Go.

The other **Life Is Good** runner is Flying Dutchmen homebred **Flip Flop Freak**, a half to GSW/GISP Hot and Sultry (Speightster), MGSW Scalding (**Nyquist**) and SW/GSP Hot Beach (Omaha Beach). **TJCS PPS**

Some of the most highly anticipated races during the summer season are the 'baby' races during the boutique meetings at Saratoga and Del Mar and at Ellis Park, which attract its fair share of high-priced juveniles from a variety of top national outfits. Summer Breezes, sponsored by OBS Sales, highlights debuting and stakes-entered 2-year-olds at those meetings that have been sourced at the breeze-up sales earlier in the year, including links to their under-tack previews. Here are the horses entered for Sunday at Saratoga, Ellis and Del Mar. Information gathered by Alan Carasso.

Cloe came from the barn of Jose D'Angelo where during 2025 the filly was third in the GIII Senorita Stakes and the runner-up in the GII Music City Stakes at Kentucky Downs. The bay made the switch to Mike Maker's establishment and in her first start for her new outfit ran third against optional claimers at Churchill Downs. Cloe then cleared the condition while sprinting over the same turf course.

Fanshell Beach became the first stakes winner for **Corniche** (by **Quality Road**) with a gutsy frontrunning performance in the Riverside Rush Stakes at Ellis.

The chestnut was made a 'TDN Rising Star, presented by Hagyard' Apr. 28 after a 5 1/4-length romp over the Churchill main track, and was swapped to the grass for a tilt at the G2 Norfolk Stakes June 20 during the Royal Ascot meeting. She did not disgrace herself against that field--one larger than what the GI Kentucky Derby claims at 21 runners--and finished fifth after dueling and fading late inside the final furlong. Made the 9-5 favorite for her return to the States and her first try against domestic stakes company, Fanshell Beach did not disappoint.

Overcoming early contact after the jump, the Wesley Ward charge went right to the front to post a contested opening quarter of :21.73 going into the turn. Turning that rival away,

Fanshell Beach | Coady Media

she had built up a clear advantage turning for home but was beginning to become leg weary in the final stages, drifting out multiple paths late in the running. **Crack On** (Maximus Mischief) produced a furious rally, but ultimately came a half-length short of running Fanshell Beach down. **Good to Be King** (War Front) followed them in for third while SP **Super Saiyajin** (**Modernist**), the early pressure, faded to last.

"She's a classy filly," said jockey Yedsit Hazlewood. "She broke well, and I'm happy to get the job done."

The victress is the most recent to the races for Pacific Heat and is the second of her dam's offspring to get a picture taken in recent weeks. Her older 3-year-old half-sister Mauna Loa (**Nyquist**) dominated a Woodbine maiden contest July 18 by nine lengths for DJ Stable and trainer Mark Casse to graduate from the condition.

Pacific Heat, herself a half to MSW & GSP Long Hot Summer (Street Boss), has a yearling **Oscar Performance** filly in the wings and was bred back to **Twirling Candy** for 2027. **Click for the Equibase.com chart.**

Roja took plenty of money in the stakes opener at Colonial Downs Saturday, winning the Andy Guest Stakes at odds of 2-5.

Entered here off a convincing gate-to-wire win at Saratoga in the GII Intercontinental Stakes June 4 which earned her a 101 Beyer Speed Figure, the Graham Motion runner again went right to the front.

It was a narrow margin that she clung to ahead of She's a Tempest (Connect).

Patently handled just ahead of that rival, Roja was let free into the stretch, opened up a safe gap and just held to win a half-length ahead of Somnium.

A well-bred daughter of a winning Red Ransom mare, Roja is a half-sister to GSP Pappascap (Scat Daddy), herself the dam of GSP/MGISP Pappacap ([Gun Runner](#)), MSW Boppy O (Bolt d'Oro) and Tynan ([Liam's Map](#)) who went to produce GISW Brant ([Gun Runner](#)). Named a 'TDN Rising Star, presented by Hagyard' for her debut win at Keeneland with a monster 106 Beyer Speed Figure, Mashallah failed to factor at Churchill May 30 against allowance horses but rebounded to take an allowance race at Saratoga by seven lengths July 4. Into stakes company for the first time Saturday, she made easy work of the Tyson Gilpin Stakes at Colonial Downs.

The 2-5 favorite broke beautifully from the inside and set the pace against the rail under Tyler Gaffalione. Never truly challenged as she got away around the far turn, Mashallah kept finding into the stretch and lengthened her winning margin even as Slewperstus came running late, winning by a casual 5 1/2 lengths.

From her sire's first crop, Mashallah is a half to GISW Hard Aces (**Hard Spun**) and MSW Astrollinthepark (Divine Park). Her youngest half-sibling is the 2-year-old Nola Nights (**Mandaloun**).

'TDN Rising Star, presented by Hagyard,' Verifire won his first three races of his career, which included a victory in the **Maxfield** Stakes at Churchill Downs last summer. The chestnut closed out his campaign with a well-beaten finish in the GI H. Allen Jerkens Memorial Stakes at the Spa at end of August.

Coming off the bench to start his 4-year-old campaign, Verifire finished third against optional claimers at Churchill Downs May 22, but was able to hurdle the condition at course and distance June 17.

The even-money choice here was close to the pace in the early part of the race up the backstretch, but she was saving her strength for what turned out to be a four-wide move around the far turn. Ready to rumble down the lane, Verifire turned on the jets and took home the prize with gusto.

SASSMASTER (c, 3, Curlin--Sass and Class, by Harlan's Holiday) ran fourth at this venue August of last year when he debuted for Todd Pletcher, and went onto the shelf afterwards until June 27 for his 3-year-old bow, resurfacing at Churchill for new trainer Anthony Sciametta Jr. Rolling from off the pace to break his maiden by a half-length over Preside (**Tiz the Law**), he earned a 96 Beyer for that effort and the aforementioned runner-up returned to graduate next-out July 30 at Saratoga and also earn a 96 Beyer.

Back in the Pletcher barn for this jump, the 3-2 favorite had to be coaxed from the gate to set up shop in midpack but was in a good rhythm passing six panels in 1:11.53. Switching to the overland route for the homeward drive coming off the far bend, Sassmaster rallied to take command outside the eighth pole and dug in gamely in the final yards to inch away to a length victory over Expect the Best (Khozan).

Sassmaster is a half-brother to Royal Charlotte (**Cairo Prince**), MGSW, \$408,150--the mother of SP Medicine Dog (**Constitution**). His juvenile half-brother Medrar (Uncle Mo) was exported to Saudi Arabia last year and he has a 2026 **Good Magic** half-sister.

TROUBLE CALLING (c, 3, **Dialed In--Into Trouble {SW, \$182,749}, by Into Mischief)** won convincingly at fifth asking on the dirt at Fair Grounds in mid-February, then netted the Lafayette Stakes at Keeneland Apr. 3. Trying the grass for the first time, the dark bay cleared an allowance under the Twin Spires June 7, and was last

'YOU HAVE TO BE UNBELIEVABLY PATIENT'

Classic Lessons Well Learned by Breeder Rebecca Philipps

Rebecca Philipps at Haras de Beaumont with Moksha and her Revann filly

By Emma Berry

You might be tempted to think that it's just luck or pure coincidence for a breeder to be represented by half-siblings in the same Classic two years running, and Rebecca Philipps might modestly agree with you. But that is not taking into account her determined adherence to Classic lines and one maternal family in particular, coupled with a blend of belief and patience.

"You have to wait, you have to be unbelievably patient," says Philipps, the breeder of Lady Evi, who runs in Sunday's G1 Preis der Diana for Westminster Race Horses and Andreas Wohler. The same owner-trainer combination raced Lady Evi's half-sister Lady Charlotte, the winner of last year's G3 Diana-Trial and Listed Grosser Preis de Burckhardt-Gruppe who was beaten only a length and a quarter to be fifth in the Preis der Diana, having also run in the G1 Deutsches Derby. Lady Charlotte is by Golden Horn, who is enjoying something of a renaissance as a Flat stallion and is certainly regarded as a rock-solid dual-purpose option. Lady Evi's sire is Golden Horn's fellow Derby winner Masar, who, despite being generally unpopular at the sales, sired three two-year-old winners at Goodwood and Epsom on Thursday along with the G3 Gordon Stakes third Venetian Lace. There are plenty of supposedly commercial Flat stallions whose owners would kill for a juvenile race double at Glorious Goodwood." **Cont. p3**

GOODIE TWO SHOES EDGES LILLIE LANGTRY THRILLER by Tom Frary

The Joseph O'Brien show carried over to Saturday at the Qatar Goodwood Festival as **Goodie Two Shoes** (Fastnet Rock) conjured a last-gasp success in the feature G2 Qatar Lillie Langtry Stakes.

Thrust a fraction of a nose in front of **Santorini Star** (Golden Horn) on the line by Dylan Browne McMonagle, the mare capped a stellar week for the combination who have also been enjoying the rub of the green at the Galway Festival. Also delivering a landmark first win at this meeting for J P McManus, the 8-1 shot who had been runner-up in the Melbourne Cup shaded the photo ahead of the penalised Haggas runner, with last year's winner and 9-4 favourite **Waardah** (Postponed) also on the premises only a head behind.

"She wanted to win and that was a big help," McMonagle said after steering his fourth winner of the meeting. **Cont. p6**

Rebecca Philipps/Preis der Diana Cont. from p1

She adds, "When I went to see Masar at Dalham Hall Stud I though he was a beautiful horse, and he was a terrific racehorse, but the market is so tough," Philipps says. "[Lady Evi] sold for two and a half grand, and she was a really nice filly. As much as I'd love to keep the fillies, I can't keep them all. At the time, [her dam] Middle Creek looked quite quiet, and so she went."

Middle Creek is a thrice-raced daughter of Poet's Voice from a family beloved by Philipps and her stepfather, Sir Robin McAlpine, before her. The 12-year-old mare has enjoyed quite a boost to her page in the intervening years, largely thanks to her two German-based daughters. Lady Evi won three of her four starts at two in Poland and her two runs this year have seen her finish second each time, including in the G2 Oaks d'Italia.

With Lady Charlotte and Lady Evi each having been sold at Tattersalls October Book 3, for 20,000gns and 2,500gns respectively, Middle Creek's current yearling colt, a Golden Horn full-brother to Lady Charlotte, has been given an upgrade to Book 2 this year. He will be consigned by Sophie Buckley of Culworth Grounds, where Philipps boards her English-based mares, which include Middle Creek's Listed-winning half-sister Mill Springs (Shirocco), who has a Golden Horn filly at foot. She also keeps mares in France at La Motteraye and Haras de Beaumont.

She says, "I had a share in Golden Horn and I love him. He's beautifully bred, and he was with John [Gosden], and Middle Creek was with John, and so on and so forth. Going way back, I had horses with Geoff Wragg, as the Oppenheims did, so I know those families. I'm lucky to have been able to send my horses to him."

LOT ONE OF ONE

Rebecca Philipps/Preis der Diana Cont.

She adds of the yearling, "If you're looking for a Maltese Cross-style horse, he's very much that type."

In her own name, Philipps's association with this family began with Middle Creek's dam Mezzogiorno (Unfuwain), who won the Listed Fillies Trial at Newbury in her colours before finishing third in both the Oaks and the Yorkshire Oaks. That was 30 years ago, but Philipps had already learned an important lesson in patience from her stepfather, the breeder of Mezzogiorno who had bought her granddam, Cecilia Bianchi, who was bred by Federico Tesio's Razza Dormello Olgiata.

"My stepfather, who this family came from, won the Oaks in his early 80s [with Circus Plume]. He had a lot of horses and he'd had to wait that long," she says. "I was brought up knowing that you had to wait - it doesn't happen in a year.

"I remember him buying Cecilia Bianchi - she was by Petingo - and she had Aigue [High Top] who had two quite big operations and I knew that the odds were not in her favour, but she survived. I used to event and when you understand the toughness that is required from horses to survive these sort of situations, you know that it gets passed on, and that's what this family has, unbelievable toughness.

"But then your luck is as important as your judgement. I know this family is incredibly tough, and when speed comes into it,

you're onto something."

Among Middle Creek's most talented siblings on the track were Monturani (Indian Ridge), the winner of the G2 Blandford Stakes for Philipps, trained by the late Geoff Wragg, as was the dual Listed-winning sprinter Monnavanna (Machiavellian). John Gosden trained another sister, Mill Springs (Shirocco), to win the Listed Noel Murless Stakes. **Cont. p5**

Rebecca Philipps/Preis der Diana Cont.

Two daughters of Mill Springs remain in Philipps's care - the dual winner Morning Poem (**Kingman**), whose first foal, a filly from the first crop of **Chaldean**, is heading to the Tattersalls Somerville Sale in the Culworth Grounds Farm draft, while Moksha (Iffraaj) visited **Erevann** in his first year at Haras de Bonneval and her yearling filly from that mating is in the Arqana V.2 Sale, consigned by La Motteraye.

The aforementioned Monnavanna in turn produced Manassas (Cape Cross), winner of the Buckingham Palace Stakes at Royal Ascot for Brian Meehan, who now has charge of Mill Springs's juvenile daughter by **St Mark's Basilica**, named Miracoli.

"She's lovely and she looks fast, but while the ground is pretty firm I would prefer just to wait," Philipps says, that patience in play once more.

She continues, "Middle Creek, who herself, for whatever reason, was not talented on the racecourse, is producing some really attractive horses. And sadly, at the time, I didn't go for the most commercially appealing stallions but they definitely have produced winners, and she's produced winners.

"It's increasingly tough now because of the cost and the competition and the desire for this quick hit. But I do know it goes in waves. Even the Aga Khan Studs, with all the success, it

can go into quiet phases and then it comes back big time."

Through Lady Charlotte and Lady Evi, Middle Creek is riding something of a wave herself and, underlining the versatility of Golden Horn, her first foal by him, Little Trilby, won twice over hurdles for Gordon Elliott before winning the G1 Commonwealth Cup Stakes, again over hurdles, in America.

"Obviously, it'd be incredibly exciting if Lady Evi won, especially for the Westminster Race Horses team who keep me updated after her races. But she's already been second in an Italian Classic and the page looks pretty smart to me. The family goes back to Mystiko and lots of good horses - it's a really good family. It's not commercially exciting, but if you're looking for a Classic horse, it's the way to go."

Philipps, a former journalist-turned-publisher, will not know which way to go herself on Sunday for, along with keeping tabs on Lady Evi at Dusseldorf, she will also be cheering on Gousserie Racing's Grande Baigneuse (**Kingman**) in the G3 Prix de Psyche. She owns the filly's half-sister Cocktail Dress (Too Darn Hot). Bought from her original owner Qatar Racing at the July Sale for 20,000gns, the latter, now five, was no random purchase as Philipps had bred her granddam Honorine (Mark Of Esteem), who later found fame as the dam of Irish Derby winner Treasure Beach (Galileo).

He added, "She's got a good kick when you need her and was very tough. She loves quick ground and that's the key to her, she's been improving with every run this season and it's good to get this for JP in these special silks."

Tom Marquand said of Santorini Star, "She has been campaigning at a really high level and is going great, so hopefully there is a big one in her this year. She just has this behind-the-bridle way of going. It is her biggest asset, but it also makes her quite tricky to ride because it is very hard to judge the tempo on her. She is super reliable."

Waardah's trainer Owen Burrows said, "She has run an absolute blinder again. She does have a bit more of a preference for some ease in the ground, but you could probably say that about most of the field. It could be the Park Hill next, but she is also in the Irish St Leger so let us see how she comes out of this."

Goodie Two Shoes's dam Fits Like A Glove (Galileo) is an unraced half-sister to Montjeu's Derby and Juddmonte International-winning sire Authorized connected to the Group 3 winner Create Belief (Awtaad). From the excellent Wertheimer family of the Arc heroine Solemia (Poliglote), her two-year-old colt is by Camelot while she also has a yearling filly by Paddington.

ENFJAAR DOMINATES THE GLORIOUS

by Tom Frary

For so long promising to deliver on the bigger stages, one-time TDN Rising Star **Enfjaar** (Lope De Vega) finally made his presence felt with a pillar-to-post win in Saturday's G3 Glorious Stakes.

Unable to build on his success in the prestigious John Smith's Cup in the Shadwell colours two years ago, he had nevertheless managed three Listed placings and relished this chance to front-run over a mile and a half with Ray Dawson conjuring an improved effort from the 8-1 shot. At the line, there was 1 1/4 lengths between the winner and the well-backed 15-8 favourite **Opportunity (Frankel)** with **Al Aasy (Sea The Stars)** a length away in his bid for a third straight renewal.

"It was the first time the horse had gone a mile and a half, so maybe the trainer should have pulled his finger out and got his trip right a couple of years ago! It was a lovely bit of riding," trainer Roger Varian said. "He has always been a talented horse, is very capable on his day and beat a strong field today."

Enfjaar automatically gains a spot in the Caulfield Cup as a result of this success and Varian is tempted. "The new owners bought the horse hoping for a bit of fun this summer and maybe for an international campaign. Whether it is that route or another, we will have to see, but it is certainly worth considering."

KINGMAN'S SPIRITED GESTURE DELIVERS RISING STAR DISPLAY AT HQ *by Sean Cronin*

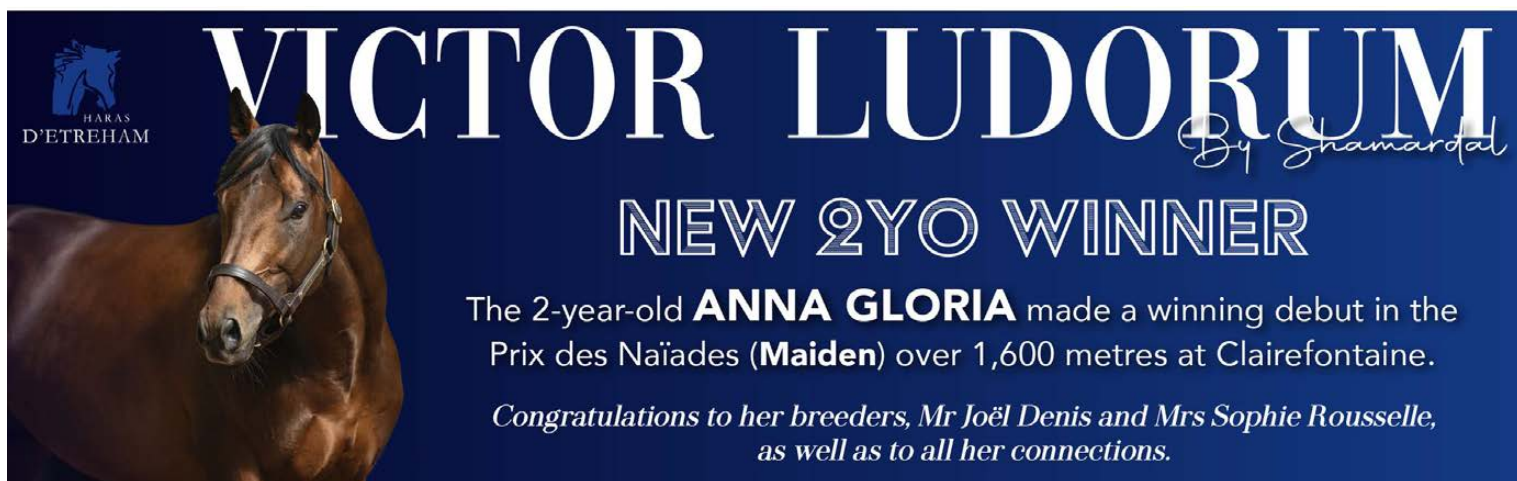

Juddmonte homebred **Spirited Gesture (Kingman)** scored low in some aspects of Saturday's Lodge At The National Stud EBF Fillies' Novice Stakes at Newmarket, but collected a TDN Rising Star, presented by Hagyard, badge after delivering an impressive debut display in the seven-furlong contest.

She becomes the 38th Rising Star for her sire and emulates her brother Calyx, who also attained Rising Star status when scooting to an impressive debut success under Rab Havlin at this venue in 2018.

"We know the family and I think Rab [Havlin] has ridden all of them on their debuts," said John Gosden. "She has shown good ability on the gallops at home and has never been off the bridle. She has similar characteristics to her big brother, but she's not quite the outlandish thug he was and his favourite trick was to come into our trotting ring and see how many white plastic rails he could kick out every morning.

"It was her first time on grass for two months and we're lucky we have the synthetic all-weather because she hasn't had a racecourse gallop or anything like that. She worked nicely with the filly who was third in the Goodwood maiden on Thursday [Beguiled] and they were sort of upsides on the bridle with maybe the edge to this filly. She's learned a lot and you would have preferred if she was in behind and came through, but it didn't work that way. She has shown a lot of potential class at home, she's a lively character, but we are absolutely thrilled with that performance and it's a great start to her career."

Looking ahead, the trainer added, "I think she has plenty of athleticism and I hope she is a filly you could look at one of the nice seven-furlong races coming up, or maybe even the [G2] May Hill at Doncaster over the mile. I think we'll stay at seven furlongs again and see where we are. Once you start thinking of putting a horse away for next year horses then have a habit of kicking a wall in a box or something like that." **Cont. p9**

Spirited Gesture Cont.

He added, "So, to that extent, while she is in good order we should look to run her in something in about three weeks. She might prefer if we got some rain and her sire **Kingman** could go on anything, but was probably at his best on the easy side of good. If we got some rain I think she would love it."

The 6-4 second favourite broke awkwardly before recovering to stalk the pace in second after the initial strides. Cruising forward to challenge passing the quarter-mile pole, she quickened in style for control approaching the final furlong and was safely clear when drifting left and gearing down to hit the line with a 2 1/4-length buffer back to **Kiah** (Australia).

Spirited Gesture is the 10th of one dozen foals and fourth scorer out of G3 Prix d'Aumale-winning G1 Prix Marcel Bousac runner-up Helleborine (Observatory), herself a full-sister to G1 Haydock Sprint Cup heroine African Rose.

African Rose is the dam of G3 Princess Margaret Stakes victrix Fair Eva (**Frankel**), while another full-sister, Needleleaf, is the dam of Vincent O'Brien National Stakes, G1 Dewhurst Stakes and G1 Irish 2000 Guineas hero Native Trail (Oasis Dream).

Spirited Gesture is a full-sister to the aforementioned dual Group winner Calyx, Listed-winning GII Churchill Distaff Turf Mile second Coppice, a yearling colt and a weanling colt. ROTHSCHILD OPENS DEAUVILLE FESTIVAL

by Tom Frary

Sunday sees the return of Deauville's August Festival, with the Prix Rothschild the first of five Group 1s throughout the month. Last month's Falmouth one-two **Blue Bolt** (Blue Point) and **Precise** (**Starspangledbanner**) renew rivalry with no obvious reason for a turnaround as the weight-for-age gap narrows slightly.

One of Andrew Balding's gang of formidable fillies and mares, Juddmonte's Blue Bolt has like Kalpana been steadily honed into the top performer she now is and defends an unbeaten 2026 record here having also taken Royal Ascot's Duke of Cambridge Stakes. "She has probably developed a good bit from three to four and is a big, strong unit now and I thought she was very good at Royal Ascot and then even better in the Falmouth at Newmarket," Barry Mahon said. "She wasn't in the Sussex and we did briefly discuss supplementing with her owners, but we just felt it was wise keeping her against her own sex for the time being then later in the year we could consider rolling the dice against colts."

Precise, who is accomplished in her own right having won four at this level including the Irish 1,000 Guineas and Coronation Stakes, has the edge over fellow three-year-olds **Moon Target** (Cracksman) and **Evolutionist** (Night Of Thunder) on previous form.

The action begins with the seven-furlong G3 Prix Six Perfections, with the French two-year-olds **Queen Of The Day** (**No Nay Never**) and **Woot Woot** (Wootton Bassett) closely matched taken on by Amo's impressive Hamilton maiden winner **Nicely** (Persian Force). Next up is the G3 Prix de Cabourg over the Prix Morny trip where Queen Of The Day's trainer Francis Graffard saddles Hollymount Stud's TDN Rising Star **Primetime Emmy** (Extreme Choice), with Wathnan's Albany third **Light Of Dawn** (Showcasing) setting the standard.

At Dusseldorf, the G1 Henkel-Preis der Diana is a fascinating affair, with Riviera Equine and Maurice Lagasse's Prix Saint-Alary winner **Lapothouse** (Wootton Bassett) a notable raider from the Yann Barberot stable. **Cont. p10**

CHURCHILL MARE TAKES MONMOUTH FEATURE

In this series, the TDN takes a look at notable successes of European-based sires in North America. This week's column is highlighted by the victory of Pandora's Gift at Monmouth.

The Gift That Keeps On Giving

LSU Stables' **Pandora's Gift** (Churchill) has accrued several near misses since transferring to the U.S., and she finally found the winner's circle with a three-length score in Monmouth's Incredible Revenge Stakes for trainer Miguel Clement on Saturday ([video](#)).

Bred by Rossenarra Bloodstock and a €28,000 Goffs Sportman's yearling, Pandora's Gift was trained by Stuart Williams for James Parry and partners. A listed winner at Chelmsford in 2024 for them, she went on to place in the G3 Ballyogan Stakes at Naas later that year. Williams raced her in his own name to be second in the GII Presque Isle Downs Masters Stakes that September in the States. Sent through the ring during the 2024 Keeneland Championship Sale, Pandora's Gift sold for \$850,000 to her current owners. She would go on to finish second in the 2025 GIII Giant's Causeway Stakes at Keeneland. One of two winners for Amthaal (Exceed And Excel), Pandora's Gift is followed by a weanling colt by Dark Angel. Multiple group winner and G1 Al Quoz Sprint second Ertijaal (Oasis Dream) is kin to the winner.

Pandora's Gift is the fifteenth American winner from 26 runners (57%) for Coolmore stallion Churchill. She is his third stakes winner in the U.S. after GII Valley View Stakes heroine Poolside With Slim and Listed Possibly Perfect Stakes heroine Kentucky Gal.

Too Darn Hot Mare Brings Australian Flavour

Gary Barber and Cayton Park Stud's **Heat Missile** (Too Darn Hot) made her American bow a winning one at Saratoga on Saturday ([video](#)). Bred by TR Ryan, the five-year-old mare is trained by Mark Casse.

She sold for A\$200,000 during the Inglis Australian Easter Yearling Sale in 2023. When campaigned in her native Australia, the dark bay won a trio of races, including a brace of handicaps before Saturday's performance. A daughter of South African champion juvenile filly and G1 Allan Robertson Championship heroine Entisaar (More Than Ready), Heat Missile is the fourth foal, one of five runners, and one of three winners for her dam.

Too Darn Hot has been represented by eight winners from 18 runners in North America (44%). His pair of stakes winners there are anchored by GI Belmont Derby hero Title Role.

Repeat Winner

Making Waves regular **Gold Phoenix** (Belardo) continues to notch victories in his win column at the age of eight. He prevailed in his second GII Eddie Read Stakes at Del Mar--and first since 2023--for trainer Phil D'Amato in the colours of Agave Racing Stable, Little Red Feather Racing, Sterling Stables and Marsha Naify on July 26 ([video](#)).

EUROPEAN NEWS

JIM CROWLEY RETIRES FROM THE SADDLE

Former champion jockey Jim Crowley has announced his retirement from riding after recovering poorly from his injuries sustained during a fall at York in September. He is in the process of obtaining his training licence.

Crowley told the *Press Association*, "I've had an amazing career and to come from jumping and then go on to do as well as I did on the Flat was amazing. I partnered some great horses and it gave me days I could only dream of.

"I never imagined this happening when I came from jumping and I was fortunate to ride all over the world and for some of the best trainers in the world.

"It's been a great career, it's just unfortunate that after my accident at York my body couldn't get back to the level I want to be to race ride again.

"It's nice to announce the retirement at Goodwood. It's my

home track and I've had so many good days here and it's nice to finish here."

Crowley started out as a National Hunt jockey before switching to the Flat. His first group winner was Hawridge Prince (Polar Falcon) in the 2006 G3 Jockey Club Cup, while his first winner at the highest level was Prohibit (Oasis Dream) in the 2011 King's Stand Stakes at Royal Ascot. Named champion jockey in 2016, he was the appointed retained rider for Hamdan Al Maktoum's Shadwell Stud shortly afterward.

The 48-year-old rode several champions, among them Shadwell's speedster Battaash (Dark Angel) and star miler Baaeed ([Sea The Stars](#)). He also enjoyed many successful winters in Dubai. Next up for Crowley will be attaining his training licence.

He went on, "I've always wanted to be a trainer and to train and I think it is the right time for me. It's given me something to get my teeth into. If I could have half as successful training career as I did riding then I would be very happy.

"I've completed my modules and just need to apply for my licence now. I plan on travelling around a bit and spending some time with different trainers and hopefully set up over the winter ahead of next season."

Crowley is perhaps best known for his association with Baaeed, who won the G1 Queen Elizabeth II Stakes at Ascot, as well as the G1 Juddmonte International, stretching his speed to 10 furlongs in the latter contest.

Crowley added, "I've been very privileged and it's thanks to the Maktoum family, Sheikh Hissa and her father who gave me a wonderful opportunity.

"Obviously Baaeed was the best I rode, but there was also Battaash who was by far the best sprinter. There's so many really, Anmaat, Mostahdaf, Hukum who was a great favourite of mine and obviously won the King George, Ulysses, Minzaal – there is so many I've

been lucky to ride.

"The day I was made champion jockey was a highlight and so was riding a treble on British Champions Day the day Baaeed beat Palace Pier in the Queen Elizabeth II Stakes.

"Baaeed's Juddmonte Stakes win was another brilliant day, as was Battaash breaking the track record in the Nunthorpe at York." [Cont. p12](#)

Jim Crowley Retires Cont.

Said Shadwell in a statement, “Everyone at Shadwell would like to thank Jim Crowley for his invaluable contribution since becoming our retained rider in 2016.

“He has played a vital role within the operation, enjoying many memorable victories in the blue and white silks.

“From the brilliant sprinter Battaash, including his track-record-breaking ride in the G1 Coolmore Nunthorpe Stakes, to Group 1 winners Al Husn, Anmaat, Eqtidaar, Eshaada, Hukum, Minzaal, Mohaather, Mostahdaf, Mustashry and Nazeef, Jim has enjoyed remarkable success at the highest level for Shadwell.

“His victory aboard Anmaat in the Champion Stakes marked his final Group 1 success in the Shadwell colours.

“Perhaps most significant of all was his partnership with the exceptional Baaeed, guiding the champion to six breathtaking Group 1 victories and creating memories that will live long in the history of Shadwell and with racing fans around the world.

“Everyone at Shadwell wishes Jim all the very best for the future as he plans to embark on an exciting new chapter as a trainer.”

JOSEPH O'BRIEN NABS GOODWOOD LEADING TRAINER TITLE; MOORE AND WATHNAN ALSO STAR

Joseph O'Brien secured his first Qatar Goodwood Festival training title on Saturday, sending out four winners from just 11 runners. Jockey Dylan Browne McMonagle rode all four of O'Brien's winners.

The G3 Gordon Stakes went to the barn's Enceladus ([Sea The Stars](#)) on Thursday. Defiantly (Kameko) and Galen ([Gleneagles](#)) scored in the Goodwood Handicap and Bentinck Conditions Stakes, respectively on July 31. Rounding out the foursome was Goodie Two Shoes (Fastnet Rock), who struck in Saturday's G2 Lillie Langtry Stakes.

Michael Halford, who collected the leading trainer award on behalf of O'Brien, said, “I am sure Joseph will be thrilled. It has been a good week, we targeted the meeting with some lovely horses and luckily they have run very well throughout. We were lucky enough to have four winners and it's been a wonderful week.”

Earning his seventh leading rider award with five wins--one better than Browne McMonagle and James Doyle--was Ryan Moore. [Cont. p13](#)

Two of his five victories occurred at the highest level, with Moore scooping the G1 Goodwood Cup on Scandinavia (**Justify**) and the G1 Nassau Stakes on Diamond Necklace (**St Mark's Basilica**). He also accrued a tally in the G2 Richmond Stakes aboard Man's Best Friend (**No Nay Never**), as well as a brace of handicaps aboard Crimson Spirit (Harry Angel) and Hopewell Rock (New Bay).

A total of seven horses carried the blue-and-gold silks of leading owners Wathnan Racing to the winner's circle during the Goodwood Festival. The Golden Mile and Stewards' Cup--both feature handicaps--went to Archivist (Dubawi) and Evening Saigon (Harry Angel), respectively. Flora Of Bermuda (Dark Angel) claimed the G3 Oak Tree Stakes, and Wild Blossom (Mehmas) was successful in the Alice Keppel Fillies Conditions Stakes. The remaining winners--Exclusive Code (Blue Point), Silver Lake (Night Of Thunder), and Hopewell Rock (New Bay)--all took handicaps.

Ali Al Kubaisi, racing manager for Wathnan Racing, collected the prize for leading owner. He said, "This is great for us. Wathnan has only been going for four seasons in Europe and the UK.

"I give the example of Glorious Goodwood last season, I won't say it was bad, but it didn't meet our expectations – we only had one winner, which is not what we want. So we said, 'where are the weaknesses?' And what we did wrong, we corrected and made those into strengths. To be the leading owner is something very great for us.

"Our horses are running brilliantly and for that, we have to thank the trainers, the stables, the yards, everyone behind these horses. Everyone is behind this success, and we have to thank everyone. It is very important for us to be here and to be leading

owner."

James Crespi said, "The 2026 Qatar Goodwood Festival presented by Visit Qatar has been one of the most memorable weeks. We have witnessed world-class racing, with outstanding weather throughout the five days, and the atmosphere has been second to none. There is no better place in the world than Goodwood Racecourse when those three things come together.

"On Tuesday, Scandinavia extended his winning sequence to seven in the Al Shaqab Goodwood Cup, following up his victory from 12 months ago.

"The highly anticipated Visit Qatar Sussex Stakes exceeded expectations, with Bow Echo cementing his status as the best miler in Europe. The reception he received in the winner's enclosure was spine-tingling and a moment those on course will never forget.

"Diamond Necklace, in the Qatar Nassau Stakes, stamped herself as the best three-year-old filly in Europe with another impressive performance, and we look forward to following her as she progresses through her career.

"We extend our sincere thanks to our presenting partner, Visit Qatar, for their continued support, and we look forward to building on this fantastic partnership as we work together to deliver this outstanding event."

Godolphin's Listed Lingfield Oaks Trial fourth and Listed Prix de Thiberville runner-up Romantic Symphony made a black-type breakthrough with a determined effort in this third stakes start.

Settled off the pace until making headway inside the last half-mile, the TDN Rising Star and 5-4 favourite found her way to the front approaching the final furlong and was driven out on the climb to deny Francophone by 1 1/4 lengths.

"She's a nice filly and maybe we have been riding her a bit wrong," admitted Charlie Appleby. "Her brother Yibir used to love being held up and it was only last minute today we said we would hold her up. For a big, scopey filly like herself, they love quick ground as well and Billy [Loughnane] thought he got there too soon if anything. She's a Listed winner now and with her pedigree that is huge, but I see no reason why she can't step up in both grade and in trip at some stage. Something like the [G2] Park Hill Stakes at Doncaster might suit her, albeit the ground might be a concern at that time of year. Today was important to get black type behind her and this was the plan, but we could easily get her out again before the autumn."

Romantic Symphony is the ninth of one dozen foals and fourth black-type scorer produced by the stakes-winning Rumh (Monsun), herself out of a Group 3-winning half to GI Beverly D

victrix Royal Highness (Monsun).

The winner is a full-sister to GI Breeders' Cup Turf-winning US champion Yibir, three-time Group 1 heroine Wild Illusion and Listed Floodlit Stakes runner-up Wild Crusade.

She is also kin to Listed Montrose Fillies' Stakes victrix Really Special (Shamardal) and G3 Prix d'Aumale runner-up Ceratonia (Oasis Dream).

Rumh has a two-year-old filly by **Sea The Stars** and a yearling colt and weanling filly by Dubawi to come.

EVENING SAIGON (IRE) (g, 4, Harry Angel {Ire}--Hoodna {Ire} {SP-Eng}, by Invincible Spirit {Ire}), a lightly-raced improver in this Stewards' Cup who was seventh in Royal Ascot's Wokingham Handicap last time, was behind the leading group on the favoured far side throughout the early stages. Launched approaching the furlong pole, the 16-1 shot was game to the line to secure a head success from Stratusnine (Far Above).

"James had a bit of a hard choice, but he was pretty firm on riding this lad in the end," Wathnan's Richard Brown said of the winner, who was bringing up a big handicap double at the meeting for connections after Archivist had taken the Golden Mile. "Hamad has turned up and won two of the hardest handicaps to win all year. We plot these and work as a team and when these results come off, it is just fantastic for Wathnan and what Wathnan is all about."

"If you look at Hamad's statistics since he started training, they match up with the best trainers in the country," he added. "He is a phenomenal horseman and was a very good rider himself. He is very modest about it, but he showjumped to a good level. He is a great horseman and has formed a great team. We all work very closely together and to pull this off is huge for everybody involved." **Cont. p16**

RAFE'S DA MAN (GB) (c, 2, Ghaiyyath {Ire}--Fracherette {Ire}, by Exceed And Excel {Aus}), third at Newbury last month, raced enthusiastically towards the fore from the outset. Always travelling like the winner, the 12-1 shot hit the front approaching the furlong pole and stayed on to score by 1 1/4 lengths from Charted Course (Palace Pier).

"I've always liked the horse, but he is a Ghaiyyath--immensely talented, but he was a little bit crazy and wanted it all too quickly," trainer Richard Hannon said. "Today, he relaxed proved that he has grown up, but it's all about next year really. There is a lot of daylight underneath him and he has always had a lot of scope."

The unraced dam, who also has a yearling filly by Mostahdaf and a colt foal by **Chaldean**, is out of the 2004 Prix Marcel Boussac third Fraloga (Grand Lodge) from a distinguished Lagardere family which includes the Group 1 winner Alpine Rose (Linamix) and the Arbib Group 2 winners Stay Alert (Fastnet Rock) and Sumo Sam (Nathaniel). Badly balked when weaving a passage through traffic approaching the final furlong, the 15-8 favourite would not be denied and found more than plenty under a late drive to win, going away, by two lengths from Arenite (Kameko).

VICTORY SPEECH (IRE) (c, 2, **Wootton Bassett (GB)**--**Words (Ire)** {GSW-Ire}, by **Dansili (GB)**), runner-up to TDN Rising Star Porto Vecchio at The Curragh last month, broke smartly to lead. Pressed by market rival **Zarak Pasha (Zarak)** entering the straight, the 11-10 favourite stayed strong to score by 3/4 of a length.

"He had a lovely run the first day and we felt coming around Galway would be a lovely learning experience for him," Ballydoyle representative Chris Armstrong said. "The mile looked likely to suit and he had a good look around, so there is plenty of improvement to come. He will be a lovely middle-distance horse for next year and we'll try and get one more run into him now before running in the Golden Fleece on Champions Weekend, all being well."

The dam, a daughter of the Irish Oaks heroine Moonstone (Dalakhani) who captured the Munster Oaks, is also responsible for the talented fillies Library (Galileo) and Beautify, with the latter also being by Wootton Bassett. Library was a Listed winner who was third in the Irish Oaks, while Beautify took last year's Airlie Stud Stakes and was runner-up in the Moyglare Stud Stakes.

The home defence includes the Alain and Gerard Wertheimer duo **Green Spirit**, who hit the board in October's G1 Prix Marcel Boussac and May's G1 Poule d'Essai des Pouliches, and this year's Listed Prix Esoterique victrix **Anakova**. Evita will be a warm order to make a black-type breakthrough after commendable efforts when third to German Oaks contender Lapotheose in May's G2 Prix Saint-Alary and fifth behind Diamond Necklace in June's G1 Prix de Diane. Threats include the Andre and Lavinia Fabre-trained Listed Prix de Thiberville third **Lefteye** and impressive Clairefontaine winner **Elle Eclipse**, while Sandringham Handicap runner-up **Symbol Of Majesty** and ParisLongchamp maiden scorer **Etincelle** also merit respect. Last week's Listed Prix Madame Jean Couturie fourth **Grande Baigneuse** is sent forth from the powerful Graffard stable. [Sean Cronin].

This is all about Stall Ad Episas's **Best Lightning**, who will make his 37th Group-race start and move within one of the German all-time record. He has failed in three prior attempts at this contest, but is in the form of his life at the age of eight and arrives here off victories over nine furlongs in June's G3 Premio Presidente Della Repubblica, when he was too good for 2024 G2 Derby Italiano hero and G1 Deutsches Derby runner-up **Borna**, and G3 Grosser Preis der Wirtschaft. Threats include G3 Badener Meile second and third, **Aster** and **Sommersby**, as well as the in-form handicapper **Montanus**. Last year's G1 Preis der Diana fourth **Starlight Lips** shed maiden status, in her ninth start, six weeks ago and completes the line-up. [Sean Cronin]

A fascinating renewal restricted to three-year-olds for the first time featuring some smart types including the Newmarket handicap winner **Jazl** who is held in high regard by the Crisfords. It also sees the return of the Gimcrack winner **Lifepan**, who has been absent since beating **Rock On Thunder** in that feature of the York Ebor Festival and has a horror draw widest of the nine. Better drawn are the newly-gelded classy **Sirius A** and the progressive **Calico Blue** who was narrowly denied by Jazl at Newmarket before winning over course and distance eight days ago.
